

Fishing, General Rules 2020

For the safety and enjoyment of all our guests, all anglers must adhere to the rules outlined here along with generally accepted rules of fishing etiquette. Our rules exist to ensure that you have an enjoyable visit to Kelham Hall. Please read these rules carefully before you fish, as failure to observe the rules or acting in any way which interferes with others' enjoyment or use of the river, will result in the offender being immediately asked to leave.

All anglers must be in possession of a valid rod licence covering their entire session. Where a session crosses two days i.e. a Night session, the licence must be valid on both days. Anyone found to be fishing without a licence will be asked to leave and no refund will be made.
